Badr Aldin Almasri

Abu Dhabi, UAE • +971562064458 • bader.alden.almasri@gmail.com • linkedin.com/in/badr-aldin-almasri

Senior Flutter Developer

With 3 years of experience in Flutter development, I have successfully launched multiple applications on Google Play and App Store.

I hold a residence permit valid until 25/10/2025.

WORK EXPERIENCE

Aqary International • UAE, Abu Dhabi • 07/2024 - Present

Senior Flutter Developer • Full-time

- Expertise in developing and deploying high-quality Android and iOS applications, with successful releases on Google Play and the App Store.
- Skilled in designing and implementing features across multiple platforms, ensuring cohesive and well-integrated user experiences, akin to assembling Lego bricks.
- Proficient in utilizing Flutter's flexible widget system, enabling the creation of highly customizable and reusable components for rapid development and deployment.
- Authored detailed documentation covering app features, architectural design, and development workflows, providing valuable resources for team onboarding and long-term project maintenance.

BA3.co • RAK, UAE • 09/2023 - 07/2024

Flutter Developer • Full-time

- develop Android/iOS applications and have deployed them on Google Play/App Store,
- running and designing product application features across various cross platform devices. Just like Lego boxes that fit on top of one another,
- experience using Flutter widgets that can be plugged together, customized and deployed anywhere
- Created comprehensive documentation for the app's features, architecture, and development processes to facilitate onboarding and future maintenance.

Bawasiq • Saudia • 02/2023 - 07/2023

Flutter Developer • Part-time

- Developed and integrated a robust product browsing feature that allows users to view and compare a wide range of product.
- Conducted thorough testing and debugging, resolving critical issues to improve app stability and performance.

Dirasti • Syria • 08/2022 - 02/2023

Flutter Developer • Part-time

- Successfully led the end-to-end development of the Dirasti mobile application using Flutter, ensuring high performance and responsiveness.
- Implemented state management solutions using Bloc to maintain a clean and manageable codebase.

Saudia Auction • Saudia • 02/2022 - 10/2022

Flutter Developer

- Managed the deployment process to Google Play Store and Apple App Store, ensuring compliance with store guidelines and a smooth release process.

- Participated in Agile ceremonies such as sprint planning, daily stand-ups, and retrospectives to ensure timely delivery and continuous improvement.

Study Loop • **Damascus, Syria** • **08/2021 - 03/2022**
